

Unemployment in Pakistan

Sub-heading: Causes of Unemployment in Pakistan

Topic Sentence

The first and foremost cause of Unemployment in Pakistan is illiteracy.

Explanatory or Reasoning Sentence

The slow growth of literacy is because of poverty, lack of resources, poor implementation of policies, lack of educational institution, and low allocation of budget.

You are discussing causes of literacy. Not of unemployment. Reasoning sentence is supposed to give logic behind your argument.

Supporting Point

There are almost population of 60 million is illiterate in Pakistan, due to that the rate of Unemployment is increased.

No facts and figures in the supporting point. This is where you make your argument.

Evidence (1)

According to World Bank, Pakistan one of the world's lowest literacy rates, with around just 58 percent of adults, it means 52 percent of illiteracy rate.

No relation of this to the unemployment created.

Evidence (2)

Another reports indicating that the current rate of illiteracy is 38%, meaning that approximately 90 million people in the country are unable to read and write. (ITROFBI, 2022)

Only give evidence

2 when there is supporting point 2

Again unrelated to the argument.

You are only stating how much illiteracy there is, not how does it relate to unemployment.

Concluding Sentence

In this way, illiteracy is one of the major issue of Unemployment in Pakistan.

Sub-topic: Effect of Unemployment in Pakistan

Introductory Sentence

Illiteracy is a cause of unemployment. ~~it affects bitterly and tremendously employment in Pakistan.~~ *Redundant. Obviously if illiteracy is the cause of unemployment so it would have an impact on employment. Also you are not describing the effect of illiteracy but of unemployment.*

Explanatory Sentence

Due to illiteracy the growth and progress of the country can be stopped. Without education and ~~skills~~ a person went in category of unemployment. *Irrelevant*

Supporting Point

Effect of illiteracy is caused of fear and powerlessness, low self-esteem or feel emotions such as ~~as~~ *Irrelevant* shame, which can often leads to isolation.

Evidence

According to Pakistan Bureau of Statistics, "literacy is a major barrier to employment in Pakistan. Individuals with low literacy skills struggle to find decent jobs and are often limited to low-paying, ~~informal~~ *Not effect of unemployment* work".

Concluding Sentence

In the end illiteracy affects ~~also~~ *a lot* on employment in Pakistan.
