Title: The Love of God

One night a holy man named Abu Ben Adhem woke up from deep sleep and saw an angel writing something on a golden book. The peaceful face of the angel encouraged him to ask what was being written. The angel replied politely that he was noting down names of those who loved God. Abu asked whether his name was in the list but the angel replied, "No, it's not." Thus, Abu prayed that his name be written among those who love God's fellowmen. Next night, angel came again to show Abu the list and surprisingly his name was at the top among those who had been blessed by the love of God.
