

Title: The Name of P people whom God love.

Precis:

One night Abu Bin Adhem wakeup and saw an angel writing something in book. He didn't frightened. He said to angel what are you writing. Angel replied sweetly am writing name of those who love God. Abu ask for his name angel said no. Abu ask to write his name who love God and then angel gone. Next night angel came again and show abu a list whome God love and Abu's name was at top.

write his name where???

said no what???

top of where???

then the angel gone??? where is the basic grammar???

word = 65

not even a single requirement or rules of precise followed
