

G. Ali

①

NOA English school 06-27 2nd week Test

Q.1

9/10

i) Expository: ~~Reasons~~: Segmentation

MF: work places

S.F: Exposes deeper social fault lines

BG: Female Harassment

Reasons:

Because here can define Reasons of female harassment at workplaces and then how female harassment is effecting in the society and then we can give way forward, how to protect women in work places. This is how it is an expository essay.

ii) Argumentative: Reasons:

Because in this topic we can define whether Pakistan is really facing the challenges of hybrid warfare efficiently or not. so we can take any stance and then prove our stance. Hence it is an argumentative essay.

*How did you identify this?
That should be the reason.*

iii) Expository: Reasons: Abstract. It's a quote, can be interpreted anyway.

Because here we talk about importance of choosing our friends and enemies and then effects of friends and enemies in our lives and way forward, how to choose wisely friends and carefully enemies. like so this can

(2)

MF: Choosing Enemy more carefully, S-F: Choosing Friends wisely

an expository Essay. Not required.

iv) Expository:

MF: Facing challenges

S-F: Artificial Intelligence

BG: Mankind

Reasons:

Because in this topic, first, we describe that how mankind is facing challenges of using A.I and then importance of A.I or impacts of A.I in our lives and then give suggestions how to overcome of these challenges to use A.I effectively and efficiently. Therefore it is an Expository Essay.

v) Argumentative:

Reasons:

Because here the examiner has given his stance as Online education has given more opportunities than challenges. But now, we have two sides, whether we can say that online education has given more opportunities than challenges or we can say online education has given more challenges than opportunities. In this way it is an Argumentative Essay.

vi) Argumentative:

Reason:

Because here one can say that over-dependence on Nuclear balance of power is actually the balancing of power but on the other hand one may say that over-dependence on Nuclear balance of power is misleading and causes the wars. so it is an argumentative Essay.

vii) Abstract:

Reasons:

Because this topic can be interpreted differently, depending on the thinking of mind. it is an open ended topic, one can interpret according to ones thinking. so this is an Abstract Essay.

viii) Argumentative:

Reasons:

This is an argumentative topic, because the writer may agree with the examiner that loyalty to both Nations and state, ^{some} or may disagree that the loyalty to both Nation and state are different. hence it is an argumentative Essay.

ix) Expository:

Reasons:

Here we talk about why commercial:

MF: Challenge to Intellectual development

S.F: Commercialization of Education

BG: Pakistan

(9)

zation of education in Pakistan as a challenge to Intellectual development, give Reasons and then we talk about how commercialization of education is eye challenging to Intellectual development, we talk about effects of commercializing of education on Intellectual development and then we can give wayforward that how to minimize these challenges and improve Intellectual development in education system of Pakistan. Hence it is an expository topic.

X)

MF: Threat

S.F: Turning a blind eye to military adventurism

BG: The Environment

Reasons:

Because here we can give reasons why turning a blind eye to military adventurism and give talk about how turning a ~~eye blind~~ a blind eye to military adventurism is a threat to the environment and means effects and finally we can give wayforward that how to mitigate this threat to the environment. In a nutshell, that it is an Expository Essay.
