

SHOUKATALI

3/5 paragraph: 1: Unemployment in Pakistan: (causes)

Topic Sentence	There are various causes of unemployment, but illiteracy is substantial cause of unemployment in Pakistan.
Explanatory or reasoning sentence	Lack of attention of governments to educate youth and to give them technical and vocational education has exacerbated unemployment.
Supporting point -1	^{Supporting point is your take on argument. It does not have} <u>Dr. Muhammad Asif</u> , in his article <u>Causes of youth unemployment (March, 2023)</u> , ^{reference & facts} on one of the primary reasons for youth unemployment in Pakistan is a lack of education.
Example -01	Only 43% of population has a formal education. Due to lack of access to excellent education many young people are unable to find employment that fits their talents and qualification (Dr. M. Asif, 2023).
Concluding Sentence	This means that illiteracy is one of the fundamental causes of unemployment in Pakistan.

Paragraph: Unemployment in Pakistan (Effects)

<p>Topic Sentence</p> <p>V/S</p>	<p>Illiteracy is a root ^{which in turn} cause of unemployment in Pakistan. <u>it</u> has compounded poverty in Pakistan. ^{This reads like illiteracy is what that has lead to poverty not unemployment}</p>
<p>Explanatory or reasoning sentence</p>	<p>Unemployment has fuelled poverty compounded with social unrest and decline in living standard.</p>
<p>Supporting point -1</p> <p>This is not a supporting point, this is an example.</p>	<p>According to <u>Dr. Hafiz A. Pasha</u>, during 2022-23, <u>Pakistan will have to contend with an increase in number of unemployed of 2 million and rise in the population below the poverty line as much as 18 million.</u></p>
<p>Example -01</p> <p>No supporting point in the Paragraph</p>	<p>(Big rise in poverty, unemployment February, 2023)</p>
<p>Concluding Sentence</p>	<p>Hence, unemployment causes surge in poverty and social unrest.</p>

Paragraph: 3

<p>Topic Sentence</p> <p>VS</p>	<p>Unemployment has aggravated poverty, therefore pragmatic measures should be taken to decrease unemployment.</p> <p><i>suggest a measure.</i></p>
<p>Explanatory or reasoning sentence</p> <p><i>Too much detail for explanatory sentence. Only elaborate the topic sentence.</i></p>	<p>Education is most significant elements for development, so <u>govt.</u> <i>do not abbreviate the words</i> should make efforts on institutional and local level, for the increase of literacy and to equip youth by providing technical and vocational training. It will significantly reduce the unemployment.</p>
<p>Supporting point - 1</p> <p><i>Key aspects of arguments should be made in supporting point.</i></p>	<p>According to Economic Survey of Pakistan 2022-23, only 62.8 Pakistanis are literate. Indeed increase in literacy rate will substantially diminish unemployment in Pakistan.</p>
<p>Example - 01</p>	<p><i>Does not presents a solution only shows the current literacy rates</i></p>
<p>Concluding Sentence</p>	<p>In summation, rise in literacy rate, technical and vocational education will alleviate unemployment in Pakistan.</p>
