Introduction:	
Chuor theory is a	
critical frame work that emerged	
in the late 20th century.	

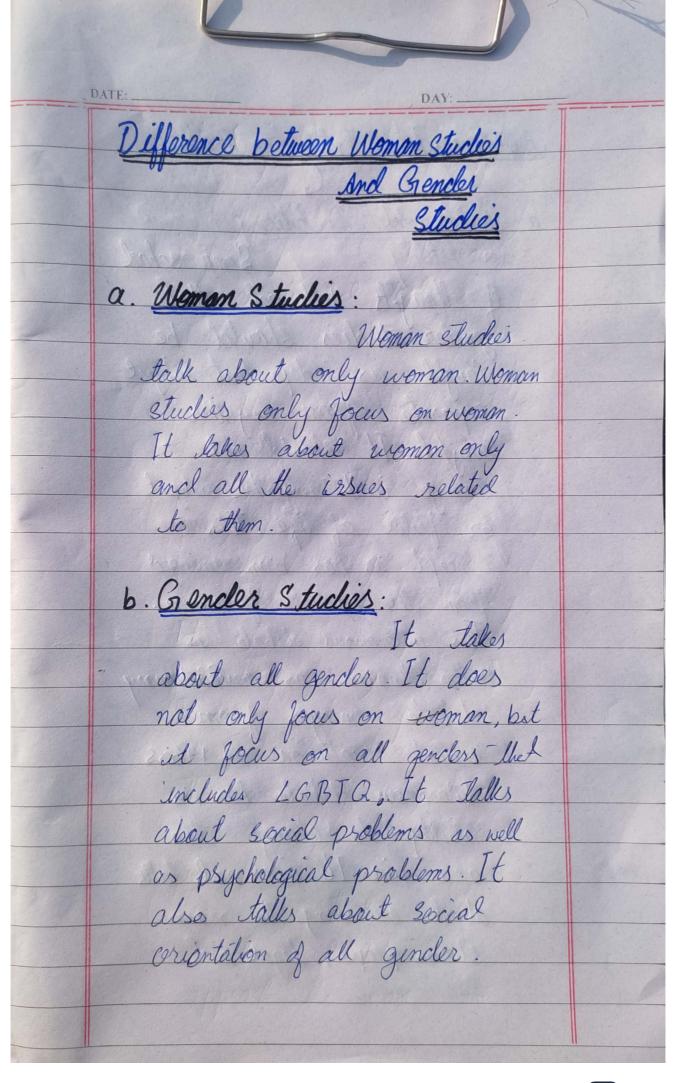

Challenging traditional notions of sexuality, gencler, and identity. This interdisciplinary approach cums to deconstruct societal norms and explore the complexities of non-normalise experiences. ROBBINO MONOSENT DI Decenstructing Heteronosmality: central focus of queer theory is critiquing and dismonting heteronormativity - the societal belief that heterosexuality in the norms. This involves examining how norms and expectations around sexuality ance gender limit and marginalize incliniduals who clon't conform to these standards. Alabada Agendan AK

Intersectionality and Powers Dynamics: important aspect of queer theory is its intersectional approach, acknowledging that experiences of queerness intersect with other social categories such as race, class and ability. The theory also delves ente power dynamics, enamining how societal structure impact the lives of giver individuals differently. Performitifully and Social Constructs: Queer theory draws on ideas of performativity, questioning The ways in which gender and sexually are socially constructed and performed This perspective challenges the notion of essentialism

suggesting that identity is a continual process of expression. Activism and Social Change: academia, queer theory has influenced activism and social movements achievating for LGBTQ + rights By Challenging oppressive norms, the theory contributes to fostering a more inclusive and equitable society. onclusion: Queer theory continues to evolve, shaping conversations around identity, equality, and Societal norms. It's impact extends beyond acedemic discourse, influencing cultural

b. Integration Debate.
Florence
howe quoted that "Women
studies have two strategies,
with integration the ultimate
one". It talks about integration
of gender studies with other
Jeilos of tife. It is being
emerged from the liberal
Jennism usually known as
thirld wave of Jemenism.
It is also being emerged
from evolutionary approach.
It has the ability to
change The academia.
The concept of integration
es also son in Quran
in Surah Boni-Israel
verse 85. That talks
about soul. It also
approch the main 3brown

people It talks about legal, political, educational rights It is bourg employed in whity theory by Jron Bertham. Conclusion: Woman studies truely is and will be a field of motion Hese are the words of Timmer man These words focuses on the importance of woman and there isste in society. In Pakiston, woman studies in emerged as a glorious platform for woman when they are evice their personal visuas and dalk about their rights.			
Legal, political, educational rights. It is being explained in utility sheary by Jhon Bentham.
