Translation:

The person makes more progress who goes one step ahead. He is not promoted by officer or system, he is promoted by nature. It should be our believe that Allah is the protector of our struggle. It should be our believe that nature will bless us. That struggle whose rewards are not given by people, Allah gives those rewards. You

should have believe in this
as you believe the existence
of your body. Hazrat Sheikh
Saadi says that "Never ask
according to your status, but
according to status of Him."
It is possible that my
status is low but glory of
giver makes me king. He
has a lot of procedures
and excuses to bless.
