Q7.

A person, with one step ahead, gets higher rank with the blessing of Almighty Allah, not with the help of officers or the system. We should have belief in Allah as guardian of our hard work. In fact, we should have strong faith that Allah will bless us. Obviously, hard work is that never rewarded by people, reward by Allah. On this point, you should have as much as faith in your presence. According to Hazrat Sheikh Saadi (R.A) "Never ask according to your position, rather ask in accordance with His nobility." Probably, my position would be too small, but the nobility of His makes me king. Indeed, He has several ways of blessings.

“The dream of the future freedom”

Q2

According to the dream of Martin Luther King of 1963, the nation will lead a true life of equality and justice. In fact, the offsprings of labourers and owners will have strong unity. The world will float in the water of liberty and equilibrium and the man will be valued by his morality. Moreover, racism will have no space in the future. Resultantly, the beauty of nature will also reflect unity. The anticipation of future freedom and equality encourages the South nation for the prosperous future. On this hope, the nation can be united and led to integration. Hence, the nation will re-unite, work in a coordination manner to struggle and pray for the freedom of future!

Q.3

Answer 1-

The invention of the weapon can be attributed only to Mikhail Kalashnikov. In fact, the name of Mikhail Kalashnikov was rewarded in history due to his attempt to make a weapon in the mid of twentieth century. Therefore, Mikhail Kalashnikov can be attributed by the invention of weapons.

Answer 2-

Weapon was made as a revolutionary rifle. It was due to the extreme power of rivals and their powerful firearms led to compell the vulnerable side of the war to invent a revolutionary rifle. Hence, Weapon was made as a revolutionary rifle.

Answer 3-

The best inventions always come during the time of crisis. In fact, the outcome of the great wars

affects the whole nation in global perspectives. Hence, this pushes the nations to invent the best of all to revive their lost position and for stability of the future. Therefore, the best inventions always come during crisis.

Answer

Drivers of guns are responsible for killings. Revolutionary approach of weapon developments leads to invention of guns. Hence, people carrying guns are killers.

Answer

5-

The last words of Mikhail Kalashnikov consoled his conscience. He was deeply in grief of humanitarian loss, but his aim to invent a dangerous weapon was to protect own land and people, not to kill others. Therefore, Mikhail Kalashnikov consoled his conscience.
