

English Paper: PRECIS AND COMPOSITION

Q2 Make a precis of the following passage and suggest a suitable title.

DREAM OF PROSPERITY

The author dream of a nation, where there will be no comparison between cast, color and creed; where the poor and the rich will sit together. Moreover, all the hills, mountains and valleys should be made plain by the Gods so that everybody perceive it at once. The author believe that one day, hopelessness will be eliminated and conflict will be resolved by unity.

According to the author the nation or state will be prosperous only when knowing the real essence of faith.

Q3 Comprehension

i- can the invention of the weapon be attributed only to Mikhail? Yes, the invention of the weapon only attributed to Mikhail because he was the first to invent the weapon at the time of crisis. Due to ^{the} invention of that weapon, he bears ^{enjoyed} his name in middle of the 20th century.

2- what really made the weapon a revolutionary rifle?

This weapon was his greatest invention and it eventually becomes a revolutionary rifle because of its light weighted nature, it was inexpensive to produce and it works best in hard conditions as well and it becomes a revolutionary because the weapon quickly spreads in far flung areas.

This makes the weapon a revolutionary ~~example~~.

3- The best invention came during time of crisis?

The USSR were at the war with Germany.

The Germany firearms were better and best but after the invention of a revolutionary weapon, it defends the USSR from Germany invasions and attacks. The weapons invented by Mikhail was the best which was for the purpose to defend the USSR at the time of crisis.

4- What kills? Guns, or those who carry them?

The invention of the weapon was a revolutionary but this weapons also landed on the wrong hands like criminals and terrorists. So the person who is carrying them kills and from its invention it kills millions of people. In my opinion the person which carries it kills the most.

5- Do the last words of Mikhail console his conscience
Give your opinion?

In my opinion I don't think that his last words console his conscience because if you invent something and knows its consequences that it will go to wrong hands, that will be ^{create} a massive destruction as far as I know the weapon he invented was inexpensive to produce, so the criminal and terrorists will take full advantage of it and will cause chaos in the world. Although he developed for defence purpose but his answer ~~doesn't~~ didn't satisfied me, because terrorist will also be saying that they also developed this for their defence not to offence.

Q1

Translation:-

Those individual will prosper who took a step ahead of others. The progress is not given to him by any system or officer, the progress is given ^{to him} by nature. It must be our faith that our hardwork defender is God, our faith must be that all our hardwork protector is God, our belief must be ^{that} nature will also grant our necessities, the reward of our hardwork is not given by people, the reward is given by God.

To this point you have to have a strong faith on yourself like wise you have on your creation.

Mazrat sheikh Saadi, says that, "when you need something don't want according to your standard want it according to his dignity!"

It is possible that my standard is very low, the the dignity of the giver can make me king. He has innumerable ways and excuses of cherishing.
