certainly, the invention of
Kalashnikov is only attributed
to Mikhail Kalashnikov. He

10
Proposed several designs but we
lost the competition. At last we
produced the first AK-47.

22
Qus:

The Kalashnikov is considered
one of the greatest inventions
in the history of weapons. The
weapon is attributed as an revolutiona-
rily rifle, because it is inexpensive
and light weight. Moreover, the
weapon seemed reliable in jungle,
sand and in extreme cold and
heat. It spreads quickly in
fighting against USA in Vietnam,
Afghanistan and against others
in battles. Thus the above mentioned
characteristics made this weapon
a revolutionary rifle.

23
Qus:

The best inventions come
during the time of turmoil.
So elaborate the above statement,
the invention of Kalashnikov
is a turning point in warfare
history, as after the invention,
it became a symbol of
revolution across the world.
The reasons for this phenomenon
proliferation of Kalashnikov are
the durability, light weight and
~~easy~~ easily forged. Thus, Kalashnikov
is considered the best invention
