Questions

Q(1) Ans: No, invention of weapon can't be attributed only to Mikhail Kalashnikov.

This is because he is one who upgraded the weapon by producing first AK-47. Weapons were also used before his invention, to improve defence he invented a better weapon.

(2) Ans: - AK-47 was a revolutionary rifle as it was relatively inexpensive to produce, short and light to carry and easy to use with little recoil. It also boasted legendary reliability under harsh conditions ranging from waterlogged jungles to Middle Eastern sandstorms in both extreme cold and heat.

(3) Ans: - The best inventions come during the time of crisis as Mikhail Kalashnikov was having difficulty to combat with Germany's superior firearms - So he resolved to develop better weapons to stand out.
