Q. 2

Title : Dream of a Leader

Dream of a leader to see his nation rising and living their true faith. Faith that all human beings are equal. The leader hopes that one day in all the states of his country there will be brotherhood, equality, freedom and justice. The children of the different classes will sit together and there will be no discrimination on the basis of the skin color. He hopes that in future all the obstacles in the way of humanity will be removed and Lord's glory will be there only. With this belief he hoped that they can find a ray of hope out of darkness and can make a nation having unity, equality and brotherhood. (112 words)

Q. 7.

That man succeed who walks one step ahead. Nature gives success to him not any officer or system. We should have belief that Almighty Allah is the guardian of all our hard works. We should have faith that nature will pay us back. Those hard works which are not paid by the individuals will be paid by Allah Almighty. You should have belief on this thing like you have belief on your existence. Shaikh Sadi Said, "Whenever you asked, never asked according to your mind rather asked according to his glory!" Might be I am nothing but the glory of the Giver make me a King. He has many ways of granting.

Q. 3.

1.

Answer:

(i) No, the invention of the weapon cannot be attributed only to Mikhail Kalashnikov because

there were other weapons before Mikhail Kalashnikov invention.

2.

Answer:~

The qualities of a weapon like inexpensive to produce, short and light to carry and easy to use with little recoil made the weapon a revolutionary rifle.

3.

Answer:~

The best inventions come during the time of crisis because when you need anything, you try to invent that. As Russian Mikhail Kalashnikov invented Kalashnikov during World War II because they need that during the war against Germany for their defense.

4.

Answer:~

Guns do not kill anyone by itself. It is those who carry the guns and kill the people as the inventor of the Kalashnikov also said that.

5.

Answer:~

Yes, the last words of Mikhail Kalashnikov do console his conscience because none of the invention is good or bad rather it is the people who make invention good or bad through their usage.
