## Q.7 Translation

The person who makes the most progress is the one who takes a step forward. Officer or the system does not promote him, it is the divine power that gives him success. It should be our belief that Allah Almighty is the protector of our hard work. It should be our belief that divine power will surely reward us, too. Those labors, which are not awarded by humans, Allah Almighty surely reward them. You should have such belief on it as you have belief on the existence of your body. Hazrat Shaikh Saadi says that, "If ever ask, do not ask as per your position, Rather, ask as per his glory!" Possible that, my position is too low, but the glory of the giver may make me a King. He has infinite ways and excuses for rewarding.
