Q# 6

Hit the hay:

It's 11 O'clock. Ali should probably hit the hay, too.

Break a leg:

He shouted to him, "Break a leg! You have an exam tomorrow."

Thick as thieves

Ali and Behram have been as thick as thieves.

Fall off the wagon

When Ali lost his job, he fell off the wagon.

Q # 7

The person who makes the progress is the one who goes one step ahead. It is not developed by officers or systems, it is developed by nature. We should have faith that Allah Almighty is the protector of our hard work. We should have faith that nature will surely bless us. The hard work and the reward which is not met by people, Allah Almighty gives their reward. At this matter a person should have such a believe as one believe on the existence of body. Hazrat Sheikh Saadi says that "never ask him (Allah) according to your ____ however ask him according to his glory." Perhaps, I have short ____ but the glory of the giver make me king. He has innumerable ways for blessing.

At least add context than leaving spare

Add idiomatic expressions

Q # 1

Answer

The invention of the weapon cannot be attributed only to mikhail kalashnikov During the second world war there were many inventors who contributed in the development of modern firearms yet, kalashnikov resolved to develop a better weapon.

Q # 2

The AK-47 was revolutionary and was the greatest invention because it was reliable, relatively inexpensive, short and light to carry, easy to use with little recoil and could be produced quickly.

Q # 3

During the second world war best inventions came under harsh conditions and the time of crises, ranging from waterlogged jungles to middle Eastern stand sandstorms, in both extreme cold and heat. The weapon quickly spread around the world, becoming a symbol of revolution however, ironically, it is still used by terrorist and criminals

Q# 4.

Since the weapon has invented it has caused the vast amount of injuries and deaths. So by the invention of guns ← the people who carry them can cause harm and are responsible for vast number of killings and injuries.

Q# 5

It is possible that Mikhail kalashnikov may have had mixed feelings about the invention of AK-47. While it was a revolutionary weapon yet it was also responsible for countless deaths and injuries.

Q#3:
The American Dream

The author (Martin) has a dream that one day, his nation would rise up by being treated equally, without any discrimination in the red hills of Georgia. He has a faith that his nation would be transformed into freedom to make change, and justice. Author wanted his children would be judged by character not by skin colour and end the racism in Alabama. He has wished the leveling of land and glory of Lord would be revealed. He encourages that he would go back to South. He firmly belives that they would be able to hew out of mountain

and spread brotherhood among nation. They would be able to fight for freedom.
