Q3. Read the passage and answer the questions.

Ans 1: No, the invention of the weapon cannot be attributed to Mikhail Kalashnikov only as he got the idea to develop a better weapon after studying the first and experience of combat advantage possessed by Germany's superior firearms.

Do not write in double negatives

Ans 2: Automat Kalashnikov 1947 was relatively inexpensive to produce, short and light to carry, easy to use with little recoil. It also boasted the reliability under harsh conditions of extreme cold and hot such nature made it a revolutionary rifle.

Ans 3 Having said that the best inventions come during the time of crisis, it has been made evident that "necessity is the mother of invention" as one comes to encounter the needs and lagging which are then filled accordingly. The better picture comes with experience and to change or develop a system, one has to be the part of it. Hence, develops something that is the need of time. **10**

Ans 4 Ironically, the weapons that are designed and developed for defense are used vastly by the terrorists and criminals and thus, those who carry them are behind its consequences i.e. killings.

Ans 5. Yes, his last words console his conscience as he knew that he along with his fellows are doing their part well, it is not the politicians and policy makers who are lagging behind in fact failing to resolve conflicts and violence through agreements and dialogues.

Q7. Translation.

Those who dare to take a step ahead are more successful not because he gets promoted through a system or his superiors but fate plays its part here. It should be our firm belief that our hardwork will be rewarded by Allah. It should be our belief that our abilities will not go in vain.

Attempt in idiomatic and proverbial manner

2

One should firmly believe on the fact that those sufferings or hardships that are not rewarded by worldly affairs will surely be taken into consideration by Allah. As according to Sheikh Saadi (RA), don't ask Allah considering who you are as a person, ask by taking His greatness into consideration. Indeed He is greatest of all and rule the mankind. He has several ways to reward this people.

Do not attempt word by word

A dream of equality and universal brother hood

Q2. TITLE: I have a dream.

PRECIS:

Martin Luther King describes his lens with which he wants to transform the world. He wants the world to become a place where equality and brotherhood spread across with no differences based upon several factors. He wants the glory of Lord to be witnessed by everyone with strong faith that world will become a beautiful and peaceful place to be in.
