unreliable can have a detrimental impace on our

Friends can have a significant impact on ous behaviors and attitude as wells influencing ous choices, values, and belivefs. For example, if we have a friends who are intrested in fitness and healthy ealing, we may be more likely and to adopt similar habits and prioritize ous beautre similarly,
if we have a friends who
are passionate about their no structure no
careers, we may be more example
motivated to pursue ous own
goals and aspirations. On the
other hand if we have
friends who engage in risky
behaviors, such as using drugs:
excessively, we may be more
likely to engage in those
behaviors as well. These fore, it
is crucial to surround ourselves
with friends who may have
Dositive influence on our lives and to be mindful of how their behavior and attitude can affece (our own. lfestyle.

Setting hearthy boundries

(55) with friends who may have a negative impace on our lives is a crucial for our mental health. Boundries are limits Don't define terms in an essay. That we see to protect our essay - selves from being mistreated or taken advantage of, and they can help us main tain healthy relationships with others. For examples if a friend is
constantly criticizing us or
making us feel bad about
ourselves, we may need to see
a boundary and let them know
That their behavior is not irreleva
acceptable. Similarly, if a
friend is always asking
for a favors or taking
advantage of our kindness,
we may need to see limits
and communicate our needs
and expectations. By serving and expeciations. By sewing healthy bound asses, we can protect out emotional and physical health, improve out self-esteem; and build stronger, more respectful relationships with othella Enemies can have both

Positive and negative impaces
on our lives, depending on how does that relate to how we choose to respond the enemy?

how we choose

their actions. On LO side, enemies Versions examp Example? reference? negacive examp even Deviates from the argument. Incoherent Choose enemies action in OUI This sentence completely negates the hooargument that, one needs to be careful in choosing enemies if all that matters is how we respond to them.

(7) emotions. success, they undermine our Not very well argued. This is very superficial argument and its not even verified by any reference. Try to debate on the basis of im portant

unnessarily. Enemies are individuals who are actively working against our intrests
and goals, and way con
have a negative impact on
our emotional and mental
well-being. Therefore, it is
important to discerning when
it comes to choosing our
enemies and to avoid engaging
in behaviors that may have in behaviors that may lead to conflict or hostility. For example, if we are in a leadership position, we may need to make difficult decisions that may not be popular to everyone, but we can do so in a way that Irrelevant Similarly, if we are in a personal relationship, we can choose w communicate ou needs and expectations in a way their are respectful and not judgemental. By choosing our enemies carefully and en emies carefully and and and avoiding unnecessary conflict, we can protece ou emotional and ment al well being build stronges relationships with others, and achieve our goals with greater ease and success.

can lead to feelings of stress, anciety, and paramial when we have enemies who are actively working ageinst us,
we may feel like me are
constantly being watch or
judged, which can lead to
judged, which can lead to
anxiety. For examples if we
have a co-worker who is Repetitive. Already
have a co-worker who is Repetitive. Already nave a co-worker auno y Repetitive. Already discussed in first actively trying to under mine operagraph relating to work, we may feel like we he no worked out the teme, which can lead to feelings of stress and anxiety. It is important to be aware of the impace that our enemies can have on our ment at health, and to take steps to protee our steps to protece ous emd frons.

Choosing friends and enemies pooredy can have a significant impace on our mented health. The negacive friendship encourage us to engage in negative behavior, it caused us to feel unhappy, stressed and a naious. Similarly choosing enemies poorly can also have a negacive

impace on our mental were being if we hold grudges or har hor negative feeling towards about their, it can cause us to feel Repetitive angry, resentful, and unhappy by choosing our friends and enemies wisely, we can protece our mental health of mountain healthy life style, and ensure that our relationships have a positive impact on our lives.

Choosing triends and enemies poorly can have also a negative impact on our physical health. When we surround ourselves with negative and tonic individuals, we may experience chronic stress, which can lead to a range of physical health problems, including high blood pressure, heart disease etc. Similarly, if we are enemies who are example ouively working against us, we may experience heightened level of stress, which ean have negative effect on out physical health. For example, if we constantly workied about we constantly worried about someone who is trying to harm us, we may experience

chronic stress, which can lead to range of physical health problems over time. By choosing friends and enemies wisely, we ean protect ous physical, health and maintains a healthy life style.

Bad friends and enemies
have also a significant impact
on our education and carees.
Negative friendship can cause
us to unhealthy behaviors, such
as skipping classes or
procrastinating on assignement,
which have negative impact on
our academic performances.
Similarly, holding grudges or Redundant
harboring negative feelings towards
others can cause us to feeling
distracted and unmotivated which
can have negative impact on can have negative impair on our career. By choosing friends and enemies wisely we can protect our knowledge and career and also acheive our goals, build brighter future for our selves and our loved ones.

orspece of Islamic teachings, and

it applies to all aspects
of our lives, including our
yelationships with friends and irelevant
enemies. In Islam, the forgivness
is seen as a means of
purifying the soul on of the
most well-known Quranie
verse "Allah does not burden a soul beyon it can bear" (2:286)
This verse remind us That
for givness is an important
aspece of our faith and
that we should strive
for give other, even it is
difficult. Our beloved Prophet "hammad (P.B. U.H) stated" orgive others so that Allah forgive you" (Musnad Ahmed). By Practising forgiveness in our relationships with others, we can acheve greates

peace and harmony in ous
lives, and build stronger, more compassionate communities. Moving on from toxic relationship can be difficult, but it is important for our mental and emotional west-being. On the first steps to moving on it to recognize that the relationship is toxic and that it is not healthy for as.

13

This can be difficult especially if we have invested a lot of time and energy into the relationship. Once we have secognized that the selationship is force we should take seles from the other person. Finally, we should focus on our self care, including getting enough sleep, eating well and engaging in activities that bring is joy and full-fillment.

Mistakes is an important as Peci. We can make mistakes, we have an opportunity to reflect avegs where we can, The process of self reflection help us to delate great self-awaveness and exchona intelligence, which can improve our relationships with others. Ultimately learning from Past
mistakes is an important
Part of our journey towards
be coming the best version our coares

Indicate that this is appropriate words, such hoosing friend wisely as to sum up, in a nutshell and so on enemine carefully is conclusion by using

an important aspece of our personal and professional lives
Our friends can have significant impace on our emotional well-being, our values, and our behaviors, so it is important to choose friends who share our values and who will suppost us in our goals. At the came time we should cautions about our enemies, recognizing that may have power to harm us It we one not careful. By choosing our enemies carefully, we can avoid unneccessary conflict and protece our selver from those who would seek to do us farm. Ultimately, the cay to choosing friends cey to choosing friends
wisely and enemies carefully
is to cultive self-awareness
and emotional intelligence,
which help us to make
informed decisions about
the People we allow into
our lives.
