Q3 (comprehension). (1)

The invention of the weapon could not be attributed only to Mikhail Kalashnikov. During the research and development of that weapon, world war II was going on. So, it is the first priority of every patriotic person to protect his nation at any cost. The Germany invasion in USSR also added fuel to the fire. Therefore, there were various reasons which attributed to the invention of the weapons.

Precise and write in your own words

(2)

The quick spread of the rifle around the world made it revolutionary weapon. It was used by revolutionary armies in different revolutionary wars such as was in Vietnam,

Colombia, Vietnam and Mozambique.
So, it was used by the people
to save one's country from
foreign invasions.

(3)

It is true that the best inventions
come during the time of crisis.
Like AK-47 was invented during
the world's biggest war "World
War II". The world was facing
the different type of crisis at
that time regarding security
threads. Moreover, every nation wanted
to annex another nation. So at
that time it was no less than the
blessing for USSR to have
AK-47. Furthermore, it was
used by revolutionaries in different
wars.

(4)

According to the passage, the
person who carry weapons kills
the people. Moreover, the use
of weapons are depend upon
person whether he use it for
defense purpose or use it to
spread terrorism. Weapon
itself are not good or bad.

According to the inventor, Mikhail Kalashnikov, Ak-47 was developed for defense, not offense.

(5)

Yes, I agree with the Mikhail Kalashnikov's point of view. He said that he developed Ak-47 for defense, not offense and further added that politicians should sign an agreement to stop violence. It is not the solution of any problem to start criticizing the inventor of any invention. Any-thing can be use to serve or destroy humanity. It is the responsibility of the government to maintain check and balance into the society for social justice.

Q7 (Translation)

A person becomes more progressive who moves a step forward. Officers or system cannot give him progress ~~but~~ except Allah Almighty. We should have

faith on Allah Almighty in this regard. We should have faith on nature that

it will also serve us. Hardworks, which are not admired by the people, are admired by Allah Almighty.

You should have strong faith on this matter as you have believe

in your existence. Sheikh Sa'adi says "pray from Allah Almighty according to his glory, not your status."
