This should be our faith that Allah (SWT) will protect our hardwork. This should be our believe that nature will also bless us. Those hardworks which are not blessed by people, are surely blessed by Allah (SWT). You should have believed on that notion like you believe in your existence. Hazrat Saib Sadi (R.A) narrated that "when you ask for something then don't ask according to your status rather you should ask according to the glory of Allah (SWT)".
