Translation:

It is often said about some books that they changed the world, these books are selected according to their own will and conditions, but where the books changing the world, there are some things that are also those who are responsible for the ~~draw~~ backwardness of the world.

It can be estimated by the publication of books in any society that the published books are changing the world or keep it in frustrated traditions, from the point of view, we can review the books published in Pakistan. I have been affecting people's mind with the emotions of sectarian feeling and unconsciousness. This mentality is seen today in Pakistan society.

Q No # 2 Precise

Title : Art as commercial commodity

Precise:

with the presence of religion, Art became the commercial institutions.

From bourgeois time came enhance in the market value of museum. They've created the markets where art could be sold.

For example Ryoei Saito buy a Van Gogh's painting for record breaking 82.5 million\$. Later he gave the loan to the Japanese government 24\$ million in taxes. Saito hyomany on Art world is famous. Art can only certified by his market value.
