

1) The author laments that element of beauty has been limited only to the works of artists and scientists, who are supposed to possess a rare sense for appreciation of beauty. Unfortunately, common people and workmen oblivious to the fact that aesthetic is an essential part of life of everyman. The fact is that aesthetic activity is activity of spirit and sense to appreciate beauty is common to all human.

2) Artists are great lovers of life and ~~use~~ they value beauty with greater concentration and consistency, but for a common man beauty is only a supplementary factor.

3) We can make our lives beautiful and charming by realizing the importance of aesthetic aspects of every activity of life. We should discover the principle of beauty in everything, it would add charm to life.

In this expression writer wants to put stress that beauty is not just a superficial decoration. The writer believes that beauty is an integral part of life. According to writer love and beauty is not optional but compulsory.

Art and aesthetics deeply influence our lives. These are not only a source of sensual pleasure but give us spiritual satisfaction. I tend to agree with John Keats who rightly said that beauty is truth and truth is beauty.
