Title:

(Art as a business
of Tycoons.)

Entrepreneur finds the profits from art and middle-class cannot understand the prestige of trainee therefore art become a commercial venture. Culture Icons could be sold like a commodity and this commodification of intellectual art look an baleful. During the Japanese "Bubble Economy", Tycoons and Giants invested in the greatest master-piece. Saito purchased Gogh's portrait and this suddenly vanished from public. Later, he owed Japanese government \$24 million in taxes, Saito remarked as a joke, he would have hunting exemated with him to spare his heirs the inheritance. "A work of art remains the possessions of the world at large", Van-Gogh made an appeal to Saito but this not worked because art will increasingly devolve into business. The transfer of art from one hand to another is static - even art disappear into private hands.
