

Precis Task

Kainat Khanwal
Batch 40.

Title:

Parents: A great/ blessing.
unreplaceable.

Precis:

Parents are the blessing of God. They both play important role in the nourishment of a child. According to author, An educated mother will rise a well mannered child. The qualified parents teaches their child a good way of living with great personality. Therefore, Parents give up their life for ^{their} children. So, children also needs to help them in their illness, give them love, time and care in their oldage. Arrange their last rite according to their wish/desire. There is no replacement of parents to the child in this world.
