History is filled with successful people, who ~~star~~ started off their lives with very difficult circumstances, but moving ahead they were considered world's successful and well-known people. Success, honor and prestige are never handed to you on a plate, only wealth is handed to you on a plate, only ~~the~~ ^{on the} condition that your ~~ance~~ ancestors has wealth, only then can you be given wealth. ~~Wealth~~ Wealth ~~can buy~~ you with wealth you can buy worldly necessities but not happiness. Some times a person spent decades to earn its honor but to earn dishonor or to become a controversy, all it takes is one moment..
