Just as we came in sight of the valley, Jamil met us and said that the valley was all very fine and asked us whether we knew that there was nothing to eat. We ignored his view as nonsense and said that we could eat anywhere. Jamil warned

us? <sup>about</sup> two month's old brown bread and potatoes. We reminded him that there must be milk anywhere. He answered positively by saying yes it was available.

## Q7. Translation

It is often said about some books that they changed the world. Philosophers select these books according to their will and <sup>prevailing</sup> conditions. At one hand books change the world, on the other hand there are certain books which are responsible for the downfall of the world by mis-guiding/mis-leading it. It can be gauged from the publication of books in any society, whether the published books are about to change the world or they want to seize ~~the~~ it with the outdated traditions. If we analyze the books published in Pakistan ~~we~~ through this perspective, we will come to know that these books are influencing people's mind with religious prejudices, sectarianism and unnecessary national pride. Such a mentality is depicted in today's Pakistani society.

### Q#3 Comprehension

#### 1) Sir Stauffenberg

Colonel Claus Schenk von Stauffenberg was a German army officer who created plot on 20<sup>th</sup> July 1944 to assassinate Adolf Hitler at in his east Prussian headquarters, the Wolf's Lair.

#### 2. How far the movie "Valkyrie" successful

The movie "Valkyrie" was successful <sup>to an extent</sup> as most of the facts about the plot were true, but it failed to convey any sense of the catastrophic moral and political context. It was not able to present the immense charisma of Stauffenberg. ~~It~~ gave no indication of Stauffenberg's background and philosophy. He seemed like a German hero.

#### 3// The plot by Stauffenberg to kill Hitler

justified in the opinion of the writer. His stroke of genius had subverted the emergency plan for defending Berlin against invasion.

5// If Stauffenberg had survived the war, he would have demonstrated the

world that there was a better Germany  
and <sup>perhaps</sup> he would be succeeded in his plan.

## Q2 Title: Art as a Business

Ques Despite of its religious and magical origin, art transformed into a business. Entrepreneurs earned huge profit in the name of art. It was traded like a commodity. This commodification of art took a drastic turn during Japanese "bubble economy". A huge amount of records were invested in some great magnificent masterpieces. Record breaking amounts were began to be invested in some magnificent masterpieces. Art is increasingly demoted into a great business. <sup>At</sup> first it was only certified by its market value. Now only one Museum headed by a billionaire is funding to contend for the masterpieces. Although the art is confined to a few hands, but its dissemination will remain continuous from investors and collectors and occasionally artists.
