Precis Test

Topic: Parents: True blessing of God

No child finds a better replacement of his parents throughout the life. As, parents are true gift of God. Parents work industriously to enlighten their youngster's life. The first step towards it is to equip their child with the best education, deliver all essential etiquettes and ethics to make child more responsible in later life. Eventually, it is a duty of a child to give tribute to his parent's endless efforts and take care of them in their old age and put all efforts to ease their old age difficulties till their last breath.
