

Title : Importance of Parent.  
Parent are Like Heaven

Parent are the gift of God for children. Mother and father play important role in upbringing of a child. They compromise a lot to give relief to their children. They spent all their time and money on their children to give them good education and fulfill all their needs. As a child its our responsibility to be obedient to them, take care of them when they are ill and spend time with them. As parent are the heaven on earth.
