

Name: Rajkumar, Batch: 050, LMSTP: 28984

Q. NO: 01

Ans:

Title: Parents are the blessing of God

Parents are the blessing of God. Both father and mother play great role in children life. Parents have developed characters of toddler. The mother of a children is educated then she will teach her child in better manners and make their children responsible, dutiful, disciplined and good personality. The parents have paid complete attention their children. Parents suffers from an illness, their children should consult with doctor for their health problems and <sup>provide</sup> treatment with medicines. Love, affection, softness and kindness of parents are admirable and deserving respect.
