

Translation-test #2

The history is full of those people who started their lives through thick and thin. But hereafter, whether they became successful or in the figure of well-known personalities. Success, dignity and fame are not a piece of cake, only wealth could be a piece of cake to you. But for that it is important / necessary for your ancestors to have some assets, however you will get wealth. You can buy worldly pleasures / facilities from wealth but can't buy happiness. Occasionally it takes decades to earn dignity for a man, disgrace / conflict rising only need a glance / moment.
