Q. Write a précis of the following passage and also suggest a suitable title: (20)

Parents are the blessings of God. Both father and mother play indispensable role in the bringing up of a child. In my opinion both parents should have the following important characteristics for the better development of their toddler.

The most imperative feature is education which is a fundamental requisite for an efficient growth of a child. For instance, if a mother is qualified she will teach her child good manners; make him or her obedient, disciplined and respectful child. The educated parents make their children responsible and dutiful. The whole credit of success of a child goes to his teachings by his parents. Most of the successful and prosperous persons attribute their accomplishment of certain goals to their education given by their parents.

The qualified parents develop in their children, responsibility of duties, devotion towards work, loyalty with homeland and a dynamic personality. Since the parents have spent all of their time money and have paid full attention in thriving of their children ; therefore, it is utmost duty of children that they should be obedient to them and when they are in the phase of adolescence and youth their parents may be feeble and weak so they should help them in their daily activities and similarly if either of their parent suffers from an illness, their children should consult with doctor for their health problems, and to render them with medications and supervise them. If any one of them ceases then they should arrange funeral of the body according to his religion or will.

In short, no one can substitute the parents, their love and affection, softness and kindness.
