

Test - Ward, Batch #50

Title:- Parents; a blessing for Children

Parents are the divine gifts to the children. Mother and Father should have some attributes, a qualified mother inculcates good manners and courage in his child. The success of children comes by the attention of parents. Parents must be paid off ^{with} ~~by~~ attention by the young children. Parents always struggle for the kids, so in return children should have a ^{kind} ~~affection~~ attitude towards the parents. There is no exchange of parent's love.
