

English Translation Test-2

Name: Sana Farooq / LMS ID: 28147 Batch: RWP 0B-39

Translation

History is full of people who started their lives with severe conditions but they became successful and well-known afterward. Success, reputation and fame is not presented on plate to you, just money can be presented on plate to you with one condition that your ancestors should have property which can then be given to you. You can buy worldly accessories with money but not happiness. Sometimes, it takes decades to earn reputation but a moment is enough to earn humiliation or becoming controversial.
