Translation test 2

History is filled with the successful people who has started their lives with extremely difficult circumstances but later on they became successful and famous personalities of the world. You do not achieve success, respect and fame without efforts, the only thing you can get without effort is wealth but ~~this~~ the essential condition for this is that your forefathers must have property in order to get wealth. You can buy material things with wealth but can't buy happiness. Sometimes, it takes so much time for a man to earn respect but a moment is enough to get humiliation and to become controversial.
