Q. Precise

Title: Duties of Parents and Children

Parents are the blessings of God. They play an indispensable role in child upbringing. Good parents should educate their children regarding good manners, discipline, and respectfulness. The whole credit of child success goes to parents teachings. As parents teaches the sense of responsibility, professionalism, patriotism, and dynamic personality to their children. Also, it is the responsibility of children to remain obedient, serve them by helping, and supervise their health related issues. Children should also arrange funeral of their body after death. Hence, nothing can substitute parents love.
