

Precis Test:

Title: Parents are blessings

Parents are blessings of God and play a fundamental role in child's growth. Parents should have following characteristics like, to provide ^{essential} education to child.

An educated mother will make a well-mannered child. The credit of child's success goes to the teaching of parents because qualified parents raise a devoted, loyal and responsible child. So, it is the duty of children to be obedient and take care of their parents at their old age. In nutshell no one can replace the love of parents.
