

ASMA
BATCH: 40
CAMPUS RWP.

Title :- \Rightarrow Parents are blessing
 \Rightarrow Parents the other name of
love and care

Utmost blessing of God is parents. Parents play important role in upbringing of child. Vital feature is education which is necessary for an growth of a child. If mother is qualified she teach her child good manners; make them obedient, disciplined and respectful child also make them responsible. ~~toward their~~ duties, loyalty with ~~home~~ land and a dynamic personality.

Children should be obedient to their parents; when they become old and weak. If parents suffer from any illness, their children should consult with doctors and provide them good care. If one of them die arrange funeral according to their religion or will.
