

English Translation Test-2

Name: Aqsa Azam Batch: 51

LMS ID: 29103

History is filled with such successful people that started their life from difficult situations, but after that they included in successful and famous personalities. Success, respect and popularity never came to you easily, only wealth can be bestowed easily, However the condition for this is that your forefathers have wealth so you will also have wealth. With wealth you can worldly material, but not happiness. Sometimes it took years for a man to earn respect, but only a moment is enough to become disgrace or controversial.
