History is full of such successful people who started their lives in with the most difficult situations and later on they counted in the world's successful and renowned personalities. Success, dignity and fame are never handed to you on a plate - only wealth is handed to you on a plate, but there is a condition for this too that wealth should be with your ancestors, then you will get wealth. You can buy the world of accessories with wealth but you cannot buy happiness. Sometimes however, it takes decades for a person to earn respect, it takes only a minute moment to earn humiliation and become controversial.

History is replete with such successful people who began their lives in extremely difficult situations, but with time, they became successful and famous personalities. Success, respect, and fame cannot come to you on a platter; only wealth can be bestowed upon you if you have ancestral property. For this, it is also imperative that your forefathers have left you with some property, only then you can gain wealth. With wealth, you can buy worldly possessions, but you cannot buy happiness. Sometimes, it takes many years for a person to earn respect or fame, and it takes only a moment to lose it by becoming involved in a dispute or by committing a shameful act.
