## Parents' Duties and Children's Responsibilities

Parents are God's gift because they nurture their child. They must possess some essential qualities to improve the child's progress. Education is the primary need for it. Educated Parents make their child civilized, responsible, successful, and patriotic. Children must be

obedient to them for their services. ~~when~~ They must take care of them, look after them, and make funeral arrangements according to their wish.

Suggested titles: Educated Parents: a catalyst for bright future

a-Significance of educated parents

b-Lead to responsible, patriotic, and skilful youth.

c-Later, children give credit to their educated parents for their success

d-Lastly, the writer has mentioned children duties towards their old parents; from catering their needs to performing their death rituals wholeheartedly.

Idea and structure are generally ok.
