Q5) What would have happened if Stauffenberg if Col. Stauffenberg would have succeeded the war would have defended Berlin against insurrection. He would also

Try to write in your own words plz

have re-attempted to assassinate Hitler and end his aggression with his amazing charisma and charm, he would have inspired and attracted people for the greater cause and must have proven to be a great leader as he fitted the characteristics of a traditional German hero, as declared by Hitler himself.

Q1) Translate the following in English--  
Some books are said to have changed the world. Scholars choose these books as per their need and situations but while some books change the world, the other mislead the world and cause its responsible for its downfall. The publishers of these books, in any society, care little about whether the books are going to change the world for good, or want to keep the world in the clutches of typical traditions. In this context, from one view the published books in Pakistan we can see that these books are affecting people via feelings of religious biasness, sectarianism and baseless national pride. This mentality is reflected in Pakistani society these days.

Do not attempt by word translation

Attempt it in idiomatic and proverbial manner

Q2) write Precise title--  
"Trading of Art, just like a commodity"  
"The commercial Market of Art"  
The sacred art projects art became a commercial tool. From upper class, entrepreneurs and museum creators, all used arts for making profit, trading art in markets

Art: a commercial commodity

Read the passage with focus

like commodities. This business of art took a threatening turn in 1980s during the Japanese "Bubble Economy" - massive investments against more than doubled prices were made in west's greatest art pieces. This included private purchase of multi-million dollar art-pieces. Threatened to turn into commercial business, great art can only be gauged via market value. Only <sup>private</sup> museums has the funding to sustain great art. The art may fall into private hands like of investors, collectors and sometimes artists.

Total words: 106.

Good try to write in well connected manner
