Title: Parents: The Unparalleled

Blessing

Parents truly a ^{one} blessing ^{card} play a crucial role in raising a child. ~~As a writer's view~~ Parents should have certain qualities to do that. First quality should be education. If a mother is educated she will make her child a well-mannered, dynamic and a successful personality. All the successful people credited their parents for their success. So, when parents gets old it is child's responsibility to pay them back by providing basic necessities and at their death ~~performs their last rites according to religion~~. Parents are unmatched in the devotion of their love and life to the child.
