

## Precis Task

Kainat Kanwal  
Batch 40.

3/20

Title:

Parents: A great blessing.  
unreplacable.

Precis:

Parents are the blessing of God. They both play important role in the nourish ment of a child. According to author, An educated mother will rise a well mannered child. The qualified parents teaches their child a good way of living with great personality. Therefore, Parents give up their life for children. So, children also needs to help them in their illness, give them love, time and care in their oldage. Arrange their last rite according to their wish desire. There is no replacement of parents to the child in this world.
