Tense mistakes.

The history are fulling successful persons. They were starting life very difficult condition that they were successful and famous personality in the world. You were not keeping success, respect in plate but only Wealth is keeping in your plate, that is a condition, your parents was landlord, after wealth gathered. You had bought through wealth something but had not bought happy. But human is taking respect for several days but case is in just a moment.

History is replete with such successful people who began their lives in extremely difficult situations, but with time, they became successful and famous personalities. Success, respect, and fame cannot come to you on a platter; only wealth can be bestowed upon you if you have ancestral property. For this, it is also imperative that your forefathers have left you with some property, only then you can gain wealth. With wealth, you can buy worldly possessions, but you cannot buy happiness. Sometimes, it takes many years for a person to earn
