

# Obligations of Parents And Children Towards Eachother.

Parents, the true blessing, play crucial  
role in the upbringing of a child. The educated  
parents brings out good traits in child. The  
whole success and accomplishments of  
goals of all led by the guidance of  
their parents. They instill the responsibilities  
of life in children. Likewise, it is  
the duty of a child to look after his  
parents and fulfill all the duties  
as a child. In a nutshell, there  
is no alternative blessing as parents.
