

Title : Importance of Parent.

~~Parent are like Heaven~~

Indent the paragraph.

Parents are the gift of God for children. Mother and father play important role in upbringing of a child. They compromise a lot to give relief to their children. They spend all their time and money on their children to give them good education and fulfill all their needs. As a child it is the responsibility to be obedient to them, take care of them when they are ill and spend time with them. As parents are the heaven on earth.

Incomplete sentence. If you start a sentence with 'As', there should be a second clause which follows the the 'As' clause.

Idea generally ok but structural and tense mistakes found.
