Title : Art work : A beginning of
commercial venture.

Art owning its roots to religious and magical ~~idea~~ turned to become a hub of commercial ~~venture~~ work. Patrons, maintaining their prestige to the museum funded the art work and art began to ~~be~~ traded in the markets. Art work of Japan is a great example, that turned a country into bubble economy, where cultural icons were sold at double prices. Art work of many great artists were owned by Japanese government at higher rates. It can boost the country's business at large. Art work will continue to disseminate into various hands, where people can invest in it at. In this way art will remain in possession of world.

COMPREHENSION

Stauffenberg, a colonel considered as a hero by Hitler, even though he tried to **Try to explain in your own words** seem believing that a hero is that, this German tried to defend the country against the external **This is insufficient distance** insurrection.

Although the movie Valkyrie presented the picture of Stauffenberg, **but this movie has failed to** movie failed to capture the complete picture of the personality. It did not even convey the full background and the philosophy of Stauffenberg's life. **Work on your grammar** It does not convey the moral and political turmoil of the time.

5

3
The passage mainly focuses on the Stauffenberg's character and the events surrounding his assassination attempt on Hitler. However, the the writer does not clearly **Opine on** opine whether the plot was justified. Author does not take position on the morality of the killing attempt rather it presents only the events and historical context.

PUNCTUATION

One day, walking together up a hill, I said to Friday, "Do you not wish to be in your ^{own} country **Good attempt**", he said, "I miss it." "What would you do there if you ever go back?" said I. "Would you turn wild and eat men's flesh again?" He looked full of concern, and, while shaking his head, said, "No." I was glad to hear this as we gradually kept climbing towards the top.

B

Direct and Indirect Speech

Jamil met us just as we came in sight of the valley and said, "Yes, the valley is all very fine, but do you know there is nothing to eat?"

I replied, "Nonsense; we can eat anything here."

Write in well cohesive paragraph

Jamil responded, "Well, the brown bread's two months old, and there is nothing else but potatoes."

I said, "There must be milk anyhow."

Jamil replied, "Yes, there was milk."

Translation

It is said / assumed about some books that have changed the world. These books are selected by the learned people according to their own situation. Where books have changed

Do not attempt by w

the perspective of world, these are some books² responsible for the backwardness and mislead the world.

Estimate can be made from the publication of books that the published books either lead to the development or ~~it~~^{these} can keep the people in obsolete

~~transitions. For this point, if we~~
~~analyze the published books in Pakistan,~~
~~we can see that these books influence~~
