

Batch #036 (OB-RWP)

Tehreem Javed

Date: 30-03-2023

English Translation.

If the world does not attract you, if the fear of god bring tears in your eyes, if the concept of hell create fear in you, if you worship God as much as you should, if goodness attracts you and your feet prevent to going astray then you are a righteous. Some are righteous, Some people become righteous. Being a righteous is a matter of luck. Becoming righteous is a continuous process of purification and struggle. It takes time and pains too.
