English Translation

If the world doesnot attract you , if the fear of Allah brings tear to your eyes , if the concept of hell creates fear in you , if you worship Allah as it should be done , if the goodness attracts you and if your feet are stopped from going on the path of evil then you are righteous . Some are righteous , some become righteous . Being righteous is a matter of luck . Becoming righteous is a constant process of purification and refining . It takes time and pains are also endured .
