If the world doesn't attract you, if your eyes become teary because of Allah's fear, if imagination of hell create the fear of God in you, if you worship Allah in the way it is supposed to, if righteousness make you turn towards itself and you restrict yourself from going on the wrong path, then you are pious. Some are pious while some pretend to be pious. Being pious is a fortunate thing. It is a matter of continuous struggle and purification of soul. It takes time and one has to bear difficulties as well.
