Q7

Translation:

An old man told that on the other side of the forest is a mountain. A flower blooms on that mountain, which the <sup>fragrance</sup> ~~smell~~ of the flower is beneficial for eyesight restoration, however, the mountain is not only high but also a rocky one. The mountain has a rough terrain ~~and~~ which is difficult to surpass. Although many climbers came, yet no one fetched that flower. So, that is why we see problems in this world and mankind is searching for the solutions.

Q3. Answers of the passage.

1. How important is happiness to most people and what is the relationship b/w material wealth and happiness?

Ans: Happiness is ~~is~~ important to most people; because due to lackness of happiness in a person's life leads to stress and loss of health. However, in today's world many people are following material wealth to justify ~~was~~ <sup>wants</sup> and this leads to become dependent on it. Material wealth and happiness has no relationship. This is because we saw a report in 2012 by happy Planet index, which highlighted that people with more material wealth (developed north) are not happy. So, material wealth doesn't bring happiness to a person's life.

Q3

what does the author described the

concept of "voluntary simplicity" as a movement and as a philosophy?

Ans

The author characterized the concept of voluntary simplicity from his book.

As a movement, voluntary simplicity brings changes to the environment. This is due to becoming simple and using less products. This practice further helps the environment in a positive way. For example, less wastage and less consumption. Moreover, as a philosophy, voluntary simplicity helps in creating a clear mindset and also develop positive attitudes. Voluntary simplicity in today's epoch is pertinent. The reason being we are living in a consume society and while following voluntary simplicity we can achieve simple stress free life.

Q.3 What impact is feared by the growing consumerism society?

The growing consumerism society is causing stress. Because we are living in a time where consumerism is high. Furthermore, we are bombarded with advertisements on daily basis. Growing consumerism is also a threat to our environment; our environment is becoming a trash dumpyard, because of the obsolescence.

The low quality products erode and we throw it away. So, environmental fear is degradation is caused by consumerism society.

Q.4 What influence make it difficult for people to reduce their consumption patterns?

Date: \_\_\_\_\_

Ans: The world is living in a consumer based society; different companies bombard us with advertisements which seem good but after consuming the product becomes useless very rapidly. So, people make their mind not to use or change consuming ~~habits~~ patterns but the advertisements influence their ~~consuming~~ consuming habits.

Q2 Make a precis and suggest a title.

Title: Three Schools of Thought in Education

=> There are three main schools of thought in education. The author disagrees with the last group due to its individualistic and argues that inclusive approach to education emphasizing importance of knowledge. The author emphasizes that education should provide children with something that they can't avail ~~by~~ on their own. Author says that educators allow freedom & must use kindness and persistency to ensure their success.
