English Precise

Test: 1

Name: Tehveen Fatima

Batch: OB - 38

Campus: RWP

Question:

• Passage:

It is physically - - - - still second.

• Precise:

An educated intellectual and brave man never makes money the chief object of his life. Though, money is very important and every sound minded person enjoys making money. They love the sensation of winning it as well, however, their devotion for work always remain their constant priority. Only the foolish, cowardly and ill educated people take money more important than work. But on the contrary, for the well educated and intellectually trained people, work always comes first and money is secondary.
